experience

5/15 - 8/15

Stand4, Inc.

Boca Raton, Florida

Community Manager

- Increased in-app engagement and enhanced satisfaction amongst 2,500 users by strategically sending emails and push notifications, connecting with users around the clock, and influencing UI, UX, and product-feature decisions.
- Optimized visibility on the App Store by meticulously writing app description and keywords, improving search rank by as much as 16 positions, resulting in a fourth place standing.

5/14 - 8/14

Stand4, Inc.

Boca Raton, Florida

Lead Developer, Internship

- Built iOS application that allowed users to create a profile, "Stand" for nonprofit organizations, see the number of "Stand" that they had taken, and post comments and/or pictures to a public stream.
- Developed application in Objective-C in conjunction with Storyboards.
- Utilized Parse and CocoaControls for scalability, Git for source control, and TestFlight for internal testing.
- Collaborated with Founder to design application's UI/UX in Photoshop.
